Project Foster Youth College Scholarships are **unrestricted \$600.00 grants paid directly to foster youth to use to pursue their college studies.** The scholarships are made possible by donors from all over California and beyond who recognize the resilience, hard work, and worthy goals of foster youth who seek to obtain a college education.

The scholarships are available to any current or former foster youth from California who was in court-ordered foster care at age 13 or any point after, and who is currently enrolled or will enroll in college or university during 2016. There is no age limit or minimum grade point average. [Download the application for full details on how to apply.](#)
