18TH ANNUAL HOLIDAY FESTIVAL

A Celebration for Youth in Foster and Kinship Care

The Children Youth and Family Collaborative is pleased to announce the 18th Annual Celebration of the Holiday Festival, a special event that celebrates foster youth with entertainment, a holiday meal, and gifts. We expect young people to benefit from this event on December 23, 2017 at Children Youth and Family Collaborative, 1200 W. 37th Place, Los Angeles, CA 90007. It's been an honor to serve, Foster Youth and their Caregivers each year. With the help of community volunteers and companies who generously donate toys and clothing for gifts, this event seeks to make a memorable evening for youth.

As a nationally recognized non-profit organization making a difference to serve youth in foster care, the Children Youth and Family Collaborative provides foster youth with academic mentoring, life skills training, and preparation for college and careers. The work of the Collaborative is supported by tax deductible contributions made by individuals, companies, foundations and organizations.

It's been an honor to serve foster youth and their caregivers each year. One of the festival highlights each year is that every youth leaves the event with multiple gifts!

We trust that those of you who attended last year had an amazing time. It brightens my day when I think of all the smiles we managed to put on so many faces. It is with joy that I invite each and every one of you to the 18th Annual Holiday Festival for foster youth and youth in Kinship Care. Enclosed with this letter is the invitational flyer. Registration has begun so be sure to call as soon as possible. We know that everyone in attendance will have a wonderful time. Thank you for all you do for the youth. We cannot wait to see you in December.

Sincerely,

Lydia Cincore-Templeton, Esq.
