All winners will be subject to a background check prior to final placement.

Television Academy Foundation

Established as the charitable arm of the Television Academy, the Foundation's mission is to educate and inspire our future leaders while preserving the legacy of television. The organization pursues its mission through the efforts of several programs including its renowned Internship Program. The Foundation is pleased to be working with the Alliance for Children's Rights to provide an internship opportunity for a college student who is transitioning out of foster care.
