

Youth Development Services Division Administrative Support Section

The Youth Development Services Division Administrative Support Section consists of the Program Liaison and Evaluation Assistance for Successful Emancipation (PLEASE) Unit.

This section supports the Division's ILP Transition Coordinators and SPA Managers by processing all requests for funds and services for ILP eligible youth Core services provided by Youth Development Services Division.

This section ensures all requests for funds are approved by the PLEASE Unit Manager, forwarded to the DCFS Finance Division for second level approval and sent to the LA County Controllers Office. The Auditor Controller will issue a check made payable to the requesting youth and DCFS will distribute.

The PLEASE Unit ensures all request are entered into the Data Tracking system for future reference.

The PLEASE Unit is managed by William Johnson, Children's Services Administrator I.
