# Looking To Gain New Job Skills & Jumpstart Your Career in Culinary Arts?

Our 12-week job skills program will help you develop essential culinary skills, master restaurant best practices and prepare you for the rigors of employment in the food service industry.

You'll learn in a supportive and collaborative environment that's focused on practical, hands-on training under the guidance of a professional Chef. The Bread & Roses Training Kitchen also provides supportive services like case management, mental health support, and career coaching to ensure your success long after you graduate.

At the Bread & Roses Training Kitchen, we are committed to providing pathways to empowerment through gainful employment. Our comprehensive job training program equips you with the skills needed to launch a fulfilling career and achieve financial stability.

So why wait? Apply for our program today and start your journey towards a brighter future!
