

Congrats, Grad! Now Let's Get You Ready for What's Next.

Lived-experience support to promote success in and after college

You've worked hard to get here—and you're not alone. Connect with a Certified Peer Support Specialist - college graduates with lived foster care experience who provide mentorship and support throughout your first year of college and beyond. **Sign up for iFoster Peers Paving the Path today!**

🌟🌟 **Plus, as a program participant, you can receive a free laptop to power your studies!** 🌟🌟

What You Receive

iFoster Peers Paving the Path includes:

- Personalized goal planning
- Free laptop
- 1:1 sessions at least twice a month with a Peer Support Specialist
- Supports that address academic, wellness, health, employment and other services to promote stability and long-term success
- Assistance with needs such as clothing, food and transportation
- Monthly financial or gift rewards for progress and achievements

Who Is Eligible?

Must be enrolled in an eligible Medi-Cal Managed Care Plan (iFoster staff can advise) and be a:

- Child or youth involved in Child Welfare (up to age 26)
- Child or youth transitioning from incarceration
- Unaccompanied child/homeless youth

How It Works

- 1. Get Matched:** Paired with a Peer Support Specialist
- 2. Meet Regularly:** Set goals, track progress, and adjust as life changes—at least twice a month
- 3. Stay Supported:** Services continue as long as needed while enrolled in a Medicaid Managed Care Plan (MCP)
